

All Saints Catholic Academy

2023-2024 Uniform Regulations

All Saints Catholic Academy believes that the appearance of the school and its student body are conducive to a positive educational environment. Therefore, clean and appropriate attire is required for each and every student.

Students in grades Pre-K through seven have one uniform. Students in grade eight have two uniforms: the “B” uniform, to be worn Monday through Thursday and the “A” uniform, to be worn on Fridays.

On occasion, the school will allow students to have a “dress down day.” These days are sometimes themed; when there is a theme to the dress down day, it is the school’s expectation that students will dress according to the designated theme. If a student does not wish to dress according to the designated theme, he or she may wear the school uniform on that day. When there is not a theme associated with a dress down day, it is the school’s expectation that students will dress modestly and observe the following expectations:

- Shorts/skirts must be of modest length and fall at the fingertips when arms are parallel to the body while standing
- Tops should not expose stomachs; no tops with spaghetti straps
- Graphics t-shirts/sweatshirts should not display inappropriate themes or products
- Footwear should still be appropriate for recess and PE classes

Footwear

All students will wear footwear that is clean, comfortable, and appropriate for the school and playground. Platform shoes, open back clogs, high heels, Crocs, flip-flops or sandals are not permitted. The soles should have tread and should not be smooth.

Belts

A belt must be worn by male students in grades 5-8.

Shirts

All shirts must remain tucked in except during recess and PE.

Pants, Skorts, Polo Dresses, and Shorts

Twill pants acceptable for uniform wear may be purchased through the vendor/retailer of your choosing. Cargo pocket pants, riveted pockets, exterior patch pockets, hammer loop, drawstring waist, zip-offs, or “jeans” type pants are not acceptable for uniform wear. Navy skorts are permitted for girls in grades Pre-K to 8; skorts should be knee length. All shorts—including those worn on dress down days—should be Bermuda-length, i.e., just above the knee.

Note that the polo dress may only be purchased through Lands’ End.

Sweaters/Fleece Vests/Sweatshirts

Sweaters (crew neck, cardigan, v-neck, and sweater vests) must be navy or burgundy. The logo is not required on sweaters. Navy or burgundy fleece vests with the logo are permitted. School-issued blue, gold or burgundy sweatshirts may be worn. Grade eight is permitted to wear a school-issued track jacket, to be distributed on the first or second day of school.

Hairstyles

Hair must be neat and clean, worn in a traditional and modest style. It must be off the collar and out of the face at all times. Students’ hair must remain in its God-given color.

Jewelry

No earrings for boys. Girls may wear one earring in each ear traditionally placed in the earlobe. Hoop or dangling earrings are not allowed. Additionally, no necklaces or chokers except for religious medals or crosses are allowed.

Miscellaneous

No body piercing, perfume, glitter, tattoos, or makeup is permitted.

Note

Students who are out of uniform will receive a verbal warning. After the initial warning, students who are out of uniform will be issued a Uniform Infraction Sheet, which includes incremental consequences. Please understand: it is your responsibility as parents to make sure that your child is in uniform before he or she gets into the car in the morning.
