

All Saints Catholic Academy
Second Grade
Summer 2026

Dear Second Grade Families,

We are excited to see this group of students learn and grow in second grade. This letter may change as we determine who the second grade teacher will be.

Summer Assignments

While there are no formal summer assignments for rising second graders, it is extremely beneficial to reinforce first grade learning over the summer months. Please continue to read with your child throughout the summer, and practice addition and subtraction facts. This will make the transition to second grade smoother!

School Supplies

Each student should bring a leak-proof water bottle each day. School supplies such as pencils, crayons, erasers, folders etc. will be provided by the school. We also encourage donations of tissues, hand sanitizer, and disinfectant wipes.

Reconciliation and Communion

Spiritually, second graders will be learning about the sacraments of Reconciliation and Communion and also learning how to receive them. Your child will learn and prepare for these sacraments as a class regardless of his or her faith. Please complete the attached form to help us prepare.

Thank you,
All Saints Catholic Academy

Sacramental Preparation Survey

This year your child will be learning and receiving the sacraments of Reconciliation and Communion.** Your child must be baptized in the Catholic faith in order to receive these sacraments. Both sacraments are prepared for in class in alignment with our Religion curriculum, but are received in your home parish according to their timeline.

Please fill out the following questions and return on or before the first day of school.

Student Name: _____

Has your child been baptized?

Yes _____ No _____

Will your child be receiving the sacraments this year?

Yes _____ No _____

Your home parish is _____

** If your child is not baptized in the Catholic faith but you wish to have him or her receive the sacraments this year, please note this and contact your area parish priest as soon as possible.

Please note: All Saints students receiving sacraments at Most Holy Name of Jesus Parish or Blessed Sacrament must let Fr. Jon or Fr. Paul know. They will let you know the parish expectations for receiving these sacraments and the schedule to be followed.

For students receiving sacraments outside of MHNJ or BS: The school does not receive information from all of the area parishes. It is the parent's responsibility to stay in touch with your parish to learn the pertinent details regarding the sacraments. Many parishes hold retreats, rehearsals and parent meetings that are required in order to receive the sacraments.
